CLEAN OUT YOUR CAKE CABINET DAY!

Patty Cakes bought too many new goodies at the ICES convention and has no room to store them. It's time for her to clean out her cake cabinet of all her under and never used items to make room for the new, and also make back some of the money she spent.

Do you have this problem too?

It's time to clean it all out and reclaim some much needed space and cash!

For only \$5 you can purchase a table during our January DOS to unload your new, gently used, no longer needed, or duplicate sugar art items. There will be a special time during the meeting for everyone to shop or swap for bargains. Tables will be assigned on a first come, first serve basis.

Please register ahead of time to insure you get a space.

Retail vendors are welcome, but must sign up for the DOS and pay the appropriate fee.

Set up time beings at 11:30am. NOT BEFORE!

The shopping area will be closed off at noon for our meeting and demos, then will open for shopping.

You will be in charge of the set-up, break down and monitoring of your own area.

Please bring adequate change, and bags or wrapping materials for purchases.

(if you have excessively large items, or equipment like mixers, racks, etc., please contact us at massicesrep@gmail.com)

We are also looking for donations of particularly interesting items for our June Mystery Cake Challenge. If you would like to donate an item(s), please see one of the MassICES officers before or during the sale.

Please detach lower portion and mail with check
